ENVIS Newsletter - Himalayan Ecology Environmental Information System (ENVIS)

Dear Authors/ Subscribers / Contributors,

We invite contributions for the upcoming issues of ENVIS Newsletter!

The COVID-19 pandemic has posed unprecedented challenges for the startup ecosystem of India. The Government of India has joined hands with various stakeholders to offer support to startups. The time calls for an integrative approach for searching the solution to this unprecedented healthcare challenge.

The ENVIS Centre of GBPNIHE, Kosi Almora is now inviting article for a special issue of Newsletter on **COVID-19 and Livelihood Options in Himalaya**. Authors are requested to submit short articles that improve our understanding of the innovative solutions created by local people and entrepreneurs to cope up with the pandemic.

A two page article (600 words and 1-4 references) written in popular language (Hindi/ English) with supporting photo/ chart/ data table is requested. The manuscripts submitted by the author(s) will be edited for length and clarity as per the standard norms of the ENVIS Newsletter. Articles should be submitted by **August 30, 2020**. It is anticipated that they will be published in September 2020 issue of ENVIS Newsletter.

The ENVIS Centre at GBPNIHE focuses on “Himalayan Ecology”, which aims to provide outlet for first-rate scientific publications and a forum for imaginative and creative thinking around the theoretical and empirical foundations of the Himalayan Ecology and Environmental Sciences.

Last Date of Manuscript Submission: **August 30, 2020**

E-mail manuscript (.doc) to: **gbpihed@envis.nic.in, maheshlyf87@gmail.com, envisbulletin2017@gmail.com**

Further details to prepare the article are available at: http://gbpihedenvis.nic.in/Envis_Newsletter.html
