One of the goals of Environmental Information System (ENVIS) Centre of this Institute is to publish Newsletters on thematic areas that contribute to the database and popularize methodologies for conservation and sustainable development of mountain ecosystem. A crucial input to decision making and to achieving this goal is geo-environmental database on different components of environment such as air, water, soil, biota (plants and animals), land use and land cover etc.

For this purpose, The ENVIS Secretariat under MoEF&CC has assigned us data base development of District Almora under National Environment Survey (NES)- a Grid-based Resource Information and Decision Support System (GRIDSS).

In this context, Environmental Information System (ENVIS) Invite contributions for the upcoming issue Vol.16 (2), 2019 of ENVIS Newsletter (a special issue devoted to '**National Environment Survey (NES)-of District Almora**).

Please send an article (article length 2 page), in Times New Roman (9 font), written in English with supporting photo/ chart/ data table. The manuscripts submitted by the author(s) will be edited for length and clarity as per the standard norms of the ENVIS Newsletter. This issue will be published in January 2020.

Last Date of Manuscript Submission: **10 Dec, 2019**

E-mail Manuscript (.doc) to: **gbpihed@envis.nic.in, maheshlyf87@gmail.com**

Further details to prepare the article are available at:
